The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment of Counseling and Research Associates dba Masada Homes Foster Family Agency (the FFA) in November 2015. The FFA has one licensed office located in the Second Supervisorial District, two licensed offices located in the Fifth Supervisorial District and one licensed office in San Bernardino County. The FFA provides services to the County of Los Angeles DCFS placed children and children from other counties. According to the FFA's program statement, its stated mission is, "to provide children with a stable and supportive living environment while preparing them for reunification with their biological families or placement."

At the time of the review, the FFA supervised 97 DCFS placed children in 40 Certified Foster Homes. The placed children's overall average length of placement was 11 months and their average age was 15.

SUMMARY
